^{**} Suppressed to protect student privacy. The institution enrolled too few of such students to disclose or report with confidence and confidentiality.

Notes:

- All percentages are calculated using the initial cohort size.
- Graduation rates include August grads for the August following the primary May graduation date, based upon the Common Data Set end date of August 31st of the relevant year.
- Financial aid status is as recorded in the students' first term. Students who receive neither subsidized Stafford loans nor Pell Grant may have received other financial aid or no aid.
